Childhood's Toyland

# Sherman Central School

THE SENIOR CLASS  
PRESENTS THE

1969

# SHERMAN JET

SHERMAN,  
CHAUTAUQUA COUNTY  
NEW YORK

## Childhood Thoughts

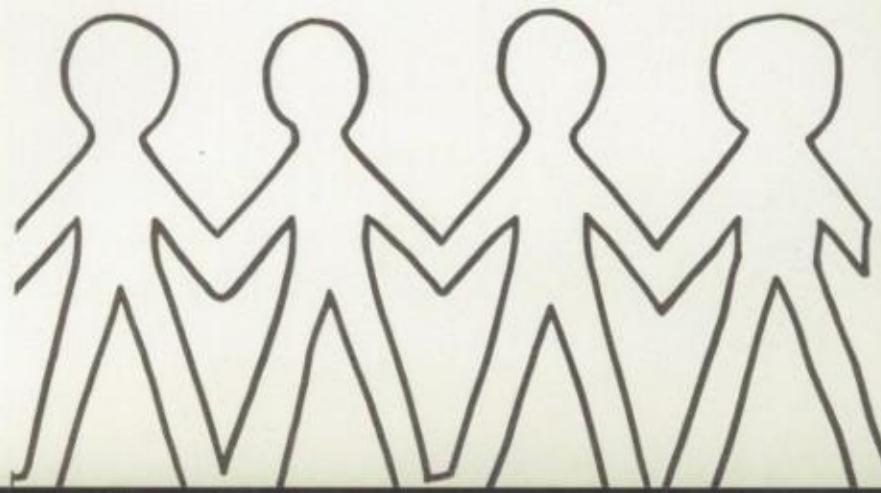

The joys of childhood gone so soon  
we've joys of other kinds.

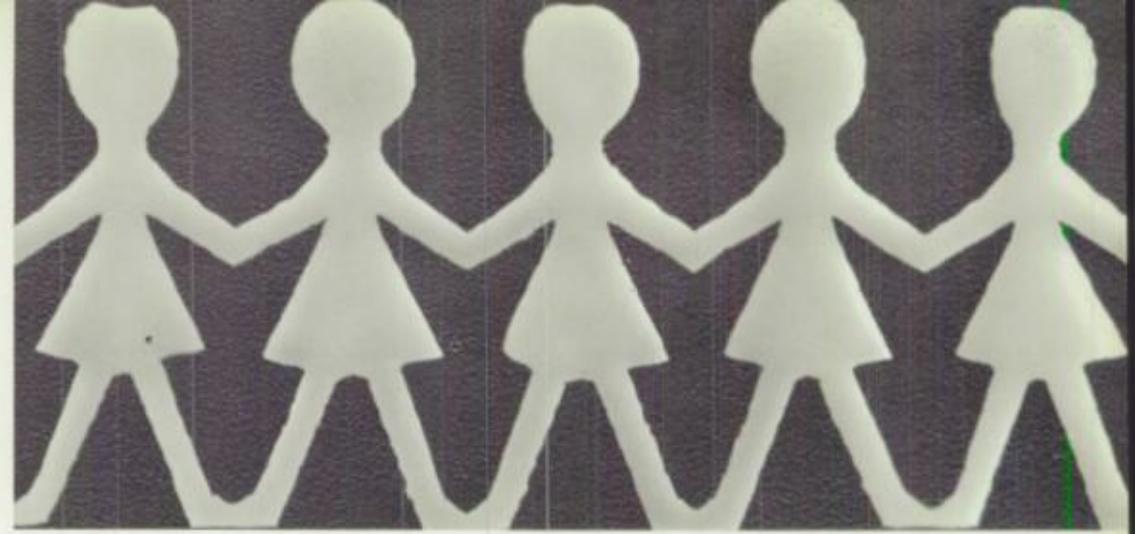

Yet memories of those days long past  
still linger in our minds.

Of footsteps light and carefree games  
and teachers scolding looks,  
Of tests and friends and fun galore  
and all those heavy books.

Of bracelets bright with dangling charms  
and cookies with our milk  
Of pilgrim plays and concerts too,  
and dresses made of silk.

For though we leave, the world to see  
and possibly to rule,  
The childhood joys remembered still  
will speak to us of school.

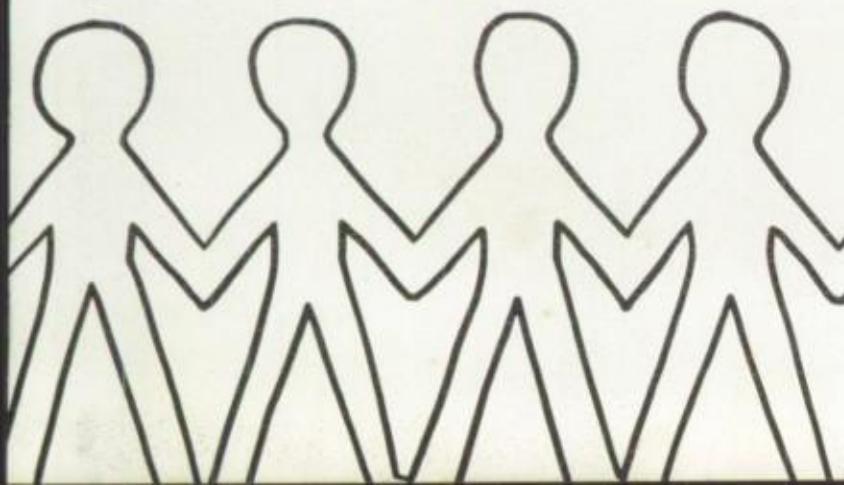

## Dedication

A major factor in the success of any class is the amount of parental aid and guidance received. The Class of 1969 has been very fortunate in that it has received an overabundance of both.

It seemed that no matter what function our class was engaged in, our parents have attended it faithfully and helped us to make it a success. But our gratitude must not only cover the triviality of monetary gain; we must also be thankful for the prodding and urging supplied by our parents in our scholastic endeavors. The kindness and understanding received from them has helped us to mature socially as well as scholastically.

To express our gratitude for helping us to attain success, the Class of 1969 wishes to dedicate the Shermanite to our parents, whose aid has proved to be priceless.

## Senior Class Advisors

The Senior Class of 1969 would like to thank Mr. Bickel and Mr. Leffingwell for all the help they have given us during their four years as advisors to our class. Without their help, it would have been impossible for us to have had success.

## AFS Students

First I want you to know that I am enjoying my new life in Sherman very much.

It is a real honor for me to attend an American high school as an AFS student. I did know more people, a different type of culture, and so on; which is most significant for me.

I wish my good experience in America would contribute a bit toward the friendly relations between the United States and Japan.

My summer in the United Kingdom was a very rewarding experience. I learned better how to get along with people from a different culture and made many friends, both American and English. Thank you to the American Field Service and the many people of Sherman who contributed money and work.

PEACOCK INN

Bottle, Bed, Board

In bygone days the Wayside Inn was a resting place for the weary traveler, who paused for a night's lodging, a meal or a refreshing drink. Here in a friendly atmosphere were discussed the momentous problems of the day. Though far in advance of the facilities of the old days THE PEACOCK INN retains that same friendly atmosphere, and serves fine cuisine in delightful, and cordial surroundings.
